

Aruba, April 25, 2022

Dear Timeshare Member,

It has been a week since we started the room renovation on the fifth floor and I am pleased to inform you that we are progressing on schedule and we are on target to complete the first wing by June 2022.

As part of this progress update, I am writing to remind you that the deadline for the special assessment is April 30, 2022. Many of you have paid already but we still have some weeks outstanding. We understand that, for some of you, the assessment creates a financial burden and it is for this reason that we are offering our timeshare members the opportunity to pay half the assessment now and the remaining half before December 1, 2022. This way we can ensure the project is able to move forward on schedule and keep you as our timeshare member.

Please do not hesitate to reach out to our team in the accounting department in case you have any questions or concerns:
